(1) Align Masterplan Outputs (Leadership)

Action Sponsor – Coralie Peroux

Action Group – ExCo, Laura Roberts

Notes – Provide continuity to the team for Productively Safe delivery and completion of the works by providing leadership from the front, and by setting clear responsibilities, objectives and expectations

Proposed items

- Clearly define completion and deliver "Completion Strategy" briefing
 - Define key dates
 - Review EXCO and Leadership team to completion overlaid with support teams to support completion of works, and handover
- Clearly define caretaking role
 - Legal duties, Client expectations incl. HSPI / Works Information requirements etc.
 - Security aspects
- Establish escalation committee to deal with contractual issues that get in the way
- Review EXCO team to completion overlaid with support teams to support completion of works, handover and caretaking requirements
- Set up a list of target milestones and objectives for each function and support team / department (*responsibilities and expectations*)

Action		ExCo Sponsor	ExCo Action Group										Action Group SLT
			CP	DVR	TBC	DK	IM	Matt Church	NH	SN	JN	I Aw	
1	Masterplan	C. Peroux											Laura Roberts

(2) Senior works managers Community (Leadership)

Action Sponsor – Derek van Rensburg

Action Group - Coralie Peroux, David Kennedy, Mick Shaw

Notes – The new black hat community and the SWM forum is now empowered and will lead with the delivery of the works and Align and maintain our Align Culture and way of working.

Progress tracker /Proposed Actions –

- Develop the Black Hat Community Org chart and full list of staff including release dates
- Bespoke support to be given to each SWM to help them with areas of development that have been identified as development areas through 1-2-1 engagement with the Eddie Woods. - starting in April – roll out 29/05/2025 with potential to roll out to full Black hat community
- Special Black Hat Forum to be run to Deliver Occupational Health Training and feedback on Milestones and achievements
- Cascade OH briefing down through the team by SWM with support
- Frontline Supervisors Plan to be updated
- Next steps with the Eddie Woods outputs
- Occupational Health Training and integrate OH within POWRA's / LAMBO
- Focus on POWRA suitable for COWL and Snagging works

			CP	DVR	TBC	DK	IM	Matt Church	NH	SN	JN	I Aw	
2	SWM Community	D. Van Rensburg	●	●	●	●							Mick Shaw

Action Group –David Kennedy, Kevin Long, Eleni Kondyli

Progress tracker /Proposed Actions –

- 7 principal factors to be implemented to simplify processes
- Use the GMR report findings to feed the HS2 Safety Culture Working group on process simplification
 - Take support Chairperson role in SHWELT led working group
- Develop a simplified version of the RAMS that includes human factors and adequate level of briefing for the workforce
- Take GMR influenced optimised RAMS and propose to COS SHWELT for adopting into HS2 7 principal factors

			CP	DVR	TBC	DK	IM	Matt Church	NH	SN	JN	I Aw	
3	Optimise Procedures	N. Hancox											Kevin Long Chris Winters  Eleni Kondyli

(4) Empower our Middle Management (Leadership)

Action Sponsor – David Kennedy

Action Group –Derek Van Rensburg, Mick Shaw, Laura Roberts, Eleni Kondyli

Notes – Empowerment of our Middle Managers to bridge the gap between supervision, Senior Managers our leadership teams. Objective for group to accept accountability for continuous improvement within their teams

Progress tracker /Proposed Actions –

- Identify individuals from Align Teams that will form this group
- Initiate a regular forum for the team that creates a communication stream
- Brief out data findings from Dalux actions from LAMBO, POWRA, HIPO & Safety Incidents at their weekly team meetings

Action		ExCo Sponsor	ExCo Action Group									Action Group SLT	
4	Empower Middle Management	D. Kennedy	CP	DVR	TBC	DK	IM	Matt Church	NH	SN	JN	I Aw	Mick Shaw Laura Roberts Eleni Kondyli

(4) Empower our Middle Management (Leadership)

Action Sponsor – David Kennedy

Action Group –Derek Van Rensburg, David Andrews, Alan Swann, Laura Roberts, Eleni Kondyli

Notes – Empowerment of our Middle Managers to bridge the gap between supervision, Senior Managers our leadership teams.
Objective for group to accept accountability for continuous improvement within their teams

Nomination 1	Nomination 2	Representing	Comments
Gilbert Davenport		Surface (CVV)	
David Gaitan	Richard Ryan	Surface (Earthworks)	
Ornella Rafatro		Surface (Demob)	
David Gates	Ed Endean	Sub-Surface (PPort-Buildings)	
TBC	Svet Nachev	Sub-Surface (Tunnels & CP)	
Victor Lam	John Tam	Sub-Surface (Shafts)	
Juan Cuenca	Ashish Kunwar	Sub-Surface (Shafts)	
Jean-Lou Genard	Sammy Teche	Sub-Surface (Nth PPortal)	
Sam Haslum	Alex Gaston	Surface (Sth Heath Cutting)	
CY Yeung	Phil Cunningham	Mech / Elec / Plant	

(5) Transitioning Safely (Culture)

Action Sponsor – Neil Hancox

Action Group – Siobhan Nevin, Jon Neale, Melodie Gilbert, Eleni Kondyli

Notes – HS2 Bridge Year “Transitioning Safety Plan” with three “extraordinary actions” relating to putting personnel to work safely, optimisation of procedures, and making health as important as safety

Progress tracker /Proposed Actions –

- Agree datasets and develop support team to provide data
- Collection of data, trending of observations and progressive improvement
- Inclusion of Occupational Health aspects into POWRA checks
- Increased focus via Health Hazard Profiles

Action		ExCo Sponsor	ExCo Action Group										Action Group SLT
			CP	DVR	TBC	DK	IM	Matt Church	NH	SN	JN	I Aw	
5	Transitioning Safely	N. Hancox											Melodie Gilbert Eleni Kondyli

(6) Supply Chain Commitments (Communication)

Action Sponsor – Derek van Rensburg

Action Group – Coralie Peroux, Neil Hancox, David Kennedy, Ian Mackintosh, Laura Roberts

Notes - The supply chain will commit to the safe delivery of works on Align in support of the values and objectives of the HS2 Bridge year safety goals

Progress tracker /Proposed Actions –

- Hold a supply chain summit to get commitment from the supply chain
- Sub-contracting – take responsibility for all works under their control including sub-contracted works
- OCC – Add a new section to the Hazard academy (maybe supply chain led) PPE – suitable for staff OH
- Communication – Are we able to link the aim high app to Bon Appetit – decide on incentive
- Senior staff must be visible for good and bad times

Action		ExCo Sponsor	ExCo Action Group									Action Group SLT
