

Health and Safety Questionnaire (template)

All evidences must be send by email.

A PDF copy of the questionnaire must also be sended back signed by the Subcontractor's Director

* Required

CDM

1. Company Name *

2. Questionnaire Filled By *

3. Are you able to demonstrate that you have a policy and organisation for Health and Safety (H&S) management?

Evidence required:

A periodically reviewed H&S Policy endorsed by the Chief Executive/Managing Director. The policy should be relevant to the anticipated nature and scale of activity to be undertaken and set out responsibilities for H&S management at all levels of the organisation.

*

☐ Yes

☐ No

4. Are you able to describe your arrangements for ensuring that your H&S measures are effective in reducing/ preventing incidents, occupational ill-health, and accidents?

Evidence Required:

Details of the arrangements for H&S management that are relevant to the anticipated nature and scale of activity to be undertaken and show clearly how these arrangements are communicated to the workforce.

*

☐ Yes

☐ No

5. Do you have access to competent H&S advice/assistance-both general and construction sector related?

Evidence Required:

Evidence of how your organisation obtains access to competent H&S advice.

Note: Access to competent in-house advice, in whole or part, is preferred. It is essential that the advisor(s) can provide general H&S advice and that (from the same source or elsewhere) advice relating to construction H&S issues is accessible as required.

*

☐ Yes

☐ No

6. Do you have a policy and process for providing your staff/workforce with training and information appropriate to the types of activity that your organisation is likely to undertake?

Evidence Required:

Evidence that your organisation has in place and implements training arrangements to ensure that its staff/workforce has sufficient skills and understanding to discharge their various duties. This should include refresher training (e.g., a CPD programme) that will keep the workforce updated on good H&S practice applicable throughout the company.

*

☐ Yes

☐ No

7. Does your staff/ workforce have H&S or other relevant qualifications and experience sufficient to implement your H&S policy to a standard appropriate to the activity that your organisation is likely to undertake?

Evidence Required:

You will be expected to demonstrate and provide evidence on request that your staff/workforce possesses suitable qualifications and experience for the tasks assigned to them, unless there are specific situations where they need to work under controlled and competent supervision e.g., trainees.

*

☐ Yes

☐ No

8. Do you check, review and where necessary improve your H&S performance?

Evidence Required:

Evidence that your organisation has in place and implements an ongoing system for monitoring H&S procedures on an ongoing basis and for periodically reviewing and updating that system as necessary.

*

☐ Yes

☐ No

9. Do you have procedures in place to involve your staff/ workforce in the planning and implementation of H&S measures?

Evidence Required:

Evidence that your organisation has in place and implements a means of consulting with its staff/workforce on H&S matters and show how staff/workforce comments, including complaints, are considered.

*

☐ Yes

☐ No

10. **Do you routinely record and review accidents/incidents and undertake follow-up action?**

Evidence Required:

Records of accident rates and frequency for all RIDDOR reportable events for at least the last three years. Demonstrate that your organisation has in place a system for reviewing significant incidents and recording action taken as a result, including action taken in response to any enforcement.

*

☐ Yes

☐ No

11. **Do you have arrangements for ensuring that your suppliers apply H&S measures to a standard appropriate to the activity for which they are being engaged?**

Evidence Required:

Evidence that your organisation has and implements arrangements for ensuring that H&S performance throughout the whole of your organisation's supply chain is appropriate to the work likely to be undertaken.

*

☐ Yes

☐ No

12. **Do you operate a process of risk assessment capable of supporting safe methods of work and reliable project delivery where necessary?**

Evidence Required:

Evidence that your organisation has in place and implements procedures for carrying out relevant risk assessments and for developing and implementing safe systems of work (method statements).

You should be able to provide indicative examples. The identification and control of any significant occupational health (not just safety) issues should be prominent.

*

☐ Yes

☐ No

13. Do you have arrangements for co-operating and co-ordinating your work with others (including other suppliers, notably contractors)?

Evidence required:

An explanation of how co-operation and co-ordination of the work is achieved in practice, and how other organisations are involved in drawing up method statements/safe systems of work etc. including arrangements for response to emergency situations. This should include details of how comments and input from your suppliers will be taken into account and how external comments including any complaints will be responded to.

*

☐ Yes

☐ No

14. Do you have arrangements for ensuring that on-site welfare provision meets legal requirements and the needs/expectation of your employees?

Evidence Required:

Evidence of how you ensure suitable welfare facilities will be in place before starting work on site, whether provided by a site-specific arrangement or your own organisational measures.

*

☐ Yes

☐ No

15. Are you able to provide details of relevant experience in the field of work for which you are applying?

Evidence Required:

A simple record of recent projects/contract, with the phone numbers/addresses of contacts who can verify that work was carried out with due regard to health and safety. This should be sufficient to demonstrate your ability to deal with the key health and safety issues arising from the work you are applying for. Where there are significant shortfalls in your previous experience, or there are risks associated with the project which you have not managed before, an explanation of how these shortcomings will be overcome.

*

☐ Yes

☐ No

Safety Schemes in Procurement Accreditation

16. Does your company hold an accreditation to one of the Member Bodies of the Safety Schemes in Procurement (SSIP) programme managed by the Health & Safety Executive?

☐ Yes

☐ No

17. If yes, please advise on the Member Body to which you are accredited? And send the Accreditation(s) by email.

18. Do you intend to register for an accreditation from one of the SSIP Member Bodies in the next 12 months?

☐ Yes

☐ No

19. If 'Yes' which of the Member Bodies do you intend to engage with to obtain your accreditation?

Project Specific Health,Safety & Environmental Management

20. Have you produced an operational H&SE Management Plan clearly setting out procedures specific to this project? *

☐ Yes

☐ No

Supervisor Competency

The Subcontractor is to demonstrate the competency of their proposed Supervisor through Skills, Knowledge and Experience. Competence does not depend on particular skills or qualifications. Skills and Knowledge are more important than formal qualification.

21. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

i. Provide leadership and promote enthusiasm for Health, Safety and Environment on their site.

*

☐ Yes

☐ No

22. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

ii. Be aware of the requirements of Health, Safety and Environmental legislation, particularly the HASAW Act 1974, Environmental / Control of Pollution Acts, other relevant Acts, Regulations, Codes of Practice, HSE Guidance Notes and other applicable authoritative documentation.

*

☐ Yes

☐ No

23. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

iii. Be familiar with legal principals, safe and correct working practices, method statements, task sheets applicable to the work, and ensure they are enforced. *

☐ Yes

☐ No

24. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

iv. Incorporate safety and health instructions in routine orders and see that they are carried out.

*

☐ Yes

☐ No

25. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

v. Suitably brief operatives and staff under their control so that work is carried out in a controlled manner and without undue risk.

*

☐ Yes

☐ No

26. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

vi. Ensure that all operatives are trained and competent for work in which they are engaged.

*

☐ Yes

☐ No

27. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

vii. Ensure new employees are inducted and made aware of hazards and controls in their workplace. Give them additional information, instruction, training and supervision to take into account inexperience or immaturity, and frequently check during their first few days to ensure they are working to acceptably safe and environmentally sound standards.

*

☐ Yes

☐ No

28. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

viii. Ensure non-employees, including the general public, are protected from the consequences of work under your control.

*

☐ Yes

☐ No

29. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

ix. Check plant and equipment, including power and hand tools are maintained in good condition and ensure defective items are taken out of use.

*

☐ Yes

☐ No

30. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

x. Ensure instruction is given in the use and disposal of COSHH materials.

*

☐ Yes

☐ No

31. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

xi. Ensure that all operatives are provided with, and use, suitable and appropriate personal protective equipment.

*

☐ Yes

☐ No

32. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

- xii. Ensure workplaces are safe, tidy and organised at all times.

*

☐ Yes

☐ No

33. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

- xiii. Carry out routine workplace inspections and ensure that issuing arising are closed out and also ensure through monthly review meetings, the effectiveness of operational controls and procedures in the workplace.

*

☐ Yes

☐ No

34. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

- xiv. Ensure that plant and equipment is switched off when out of use and the work area is always left in a safe condition.

*

☐ Yes

☐ No

35. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

- xv. Commend those who, by action or initiative, eliminate or control hazards.

*

☐ Yes

☐ No

36. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

xvi. Prevent "horseplay" and discipline those who consistently fail to consider their own well being and that of others around them or fail to report incidents or accidents.

*

☐ Yes

☐ No

37. Please confirm the roles and responsibilities which will be undertaken by your Supervisor:

xvii. Attend Project HS&E Management or Leadership Meetings as required and ensure that the meeting content is fed back to their staff and operatives.

*

☐ Yes

☐ No

38. In addition to the above, please confirm any additional roles and responsibilities which will be undertaken by your Supervisor: *

	Yes	No
i. Operative Wages	☐	☐
ii. Procurement (Take-Off's, Material Scheduling etc)	☐	☐
iii. Design Co-Ordination	☐	☐
iv. Programming/ Planning / Logistics	☐	☐

39. The Supervisor must demonstrate competence to NVQ/SVQ Level 3 (*or a European equivalent – please advise*) or have alternative training as follows:

i. CITB Site Managers Safety Training Scheme (5 Day)

*

☐ Yes

☐ No

40. The Supervisor must demonstrate competence to NVQ/SVQ Level 3 (*or a European equivalent – please advise*) or have alternative training as follows:

ii. CHSG Site Safety Supervisors (6 Day)

*

☐ Yes

☐ No

41. The Supervisor must demonstrate competence to NVQ/SVQ Level 3 (*or a European equivalent – please advise*) or have alternative training as follows:

iii. British Safety Council Level 3 Certificate in Occupational Safety & Health

*

☐ Yes

☐ No

42. The Supervisor must demonstrate competence to NVQ/SVQ Level 3 (*or a European equivalent – please advise*) or have alternative training as follows:

iv. IOSH Managing / Supervising Safely

*

☐ Yes

☐ No

43. The Supervisor must demonstrate competence to NVQ/SVQ Level 3 (*or a European equivalent – please advise*) or have alternative training as follows:

v. Other Qualifications / Certificates which demonstrate skill and knowledge (please state, and provide copies of qualification certificates where applicable)

*

☐ Yes

☐ No

Trade / Service To Sub Subcontracted

44. Will any of the works be let to be Sub- Subcontracted *

- ☐ Yes
- ☐ No
- ☐ Maybe

45. In the event of the Subcontractor further subletting work, written approval must be sought from BYLOR. The Subcontractor is required to adopt pre-selection criteria as laid down in the Project H&S Plan to any such Sub-Subcontractors and complete the BYLOR Sub-Subcontractor Approval Form (see Appendix A)

Please detail below the trade to be subcontracted and the potential Sub-Subcontractor's name

46. Sub-Subcontractor Approval Forms for the above attached?

BYLOR reserves the right to vet the appointment of Sub-Subcontractors for use on this project to ensure that they comply with our minimum HS&E requirements. The Sub-Subcontractor's details shall be provided a minimum of 2 weeks prior to them starting their work on site.

- ☐ Yes
- ☐ No

Subcontractor's Declaration

I confirm:

- § That we have answered all questions within the document truthfully and accurately;
- § We give full support and commitment to BYLOR's Health, Safety and Environmental initiatives including but not limited to Mission Zero and IIF
- § That we will work in accordance with the proposals contained within this document if successful in securing the Sub-Contract works.
- § That we have allowed for adequate supervision levels.

47. Signature of the Subcontractor's Director
